Term 4 Week 5 2017

Thursday 16th November 2017

## Student of the Week

**Natalia Floriani - 1C always a kind and caring friend who loves to learn and tries hard.**

### ~ Presentation Day ~

Presentation Day will be held on Thursday 7th December commencing at 10 am in the hall.

The P&C will once again be holding a sausage sizzle at the end of proceedings. Helpers will be required to serve sausages, sell drinks and work in the canteen for one hour.

Please complete the form on page 2 if you are able to help out.

Sausages will be available on the pre-order form also found on page 2. It would be greatly appreciated if this is completed with money owing so the P&C can cater accurately for lunch. Pre-Orders will be served first and anything else left over will be sold to people who have not ordered.

### ~ Garden Committee ~

A suggest was put forward at the P&C to create a garden committee to support the refurbishment of all the gardens. This will allow for more student friendly and usable outdoor space.

If you are interested in being on this committee and supporting this initiative please contact Clare Dal Broi on 0488 634 311. She will coordinate this venture with community support.

## Kinder News

Kindergarten has been learning about different forms of transport as part of our Science unit.

This week we were learning about planes and conducted a paper plane experiment to find which plane would fly the best made from tissue paper, newspaper and cardboard.

We concluded that cardboard flew the best.

## Stage 2 News

What an exciting couple of weeks Term 4 has been for Stage 2! To celebrate the great behaviour exhibited by years 3 and 4 Miss Bresolin, Mrs McAllister and Miss Griffin have decided to give Stage 2 the opportunity to go to the movies.

On Friday, the 8th of December we will be attending Griffith City Cinemas to watch 'Paddington Bear 2'. The bus will be leaving at 12:30 for the 12:45 viewing.

Students will then return to school around 2:30 for a sweet treat provided by the Stage 2 teachers!

The total cost, which includes bus transportation and movie ticket, will be \$11:00 per student.

Students will be given a note with more information regarding the day and prices tomorrow.

## ITALIAN NEWS

Thank you to our school captains for leading the assembly for me last week. We had two classes present their work.

Some 2D children shared snippets from their own booklets that they had written about themselves and their family. 5/6W read some of their research about gondolas which they had undertaken in a combined Library / Italian PBL unit titled "Float or Sink".

Here are a few photos from our assembly.

Need to look for an alternative to PFD because they are too expensive now they no longer need to be competitive.
