

HANWOOD PUBLIC SCHOOL NEWSLETTER

Term 4 | Week 7 | Date: Thursday 28th November 2019

FROM THE P&C

Just a reminder that Lowes still have most sizes of our uniforms still available in store. The polo shirts have been marked down to \$19.95.

Our new uniform will not be compulsory until 2021 and our agreement with Lowes was to only sell the sizes they couldn't supply. The school's uniform shop will not be able to sell all clothing sizes until Lowes has sold most of their stock.

If you are going into the store and they do not have the size you require, could you please send an email to hanwoodpublicschool-pres@pandcaffiliate.org.au stating the issue you had in store.

With thanks,
Rebecca Watt

FROM THE PRINCIPAL

The end of the year is nearly upon us and coming way too fast!!! Please check the calendar at the back of this newsletter for times, dates and events that are coming up.

The students are really enjoying our new playground. The chess/checkers board is highly contended at the moment. We will see how this continues, but we may need to implement a timetable to allow all students to have a turn.

Teachers are in the final processes of completing Semester 2 reports. They will then be checked by supervisors prior to being sent home. Reports will be sent home on Friday 13th December. Parents wishing to discuss their children's reports with teachers are asked to make an appointment for the following Monday or Tuesday.

There will not be a sausage sizzle on Presentation Day due to the lack of availability of helpers. We will however have one on the following Monday 16th December. The canteen will operate as per normal.

Pre-order forms for the sausage sizzle will be in next week's newsletter

The canteen will also be open on the last Tuesday at lunch time and Wednesday at recess only. Students will be able to purchase drinks, ice cream and ice blocks. Staff and students will be running this for the canteen.

The SRC will be holding a disco next Wednesday (details were sent in a note home earlier this week).

Italian News

Italian News

Wow! What a busy term we've had!

1/2G are coming along beautifully with their Italian lessons. They have learnt their numbers to 10 and are presently working on learning their colours through games. The students are having heaps of fun whilst they are learning.

Stage 2 classes are busy with their 'Per Star Bene' (To stay Healthy) unit, focusing on learning numbers by 10's to 100, days of the week and months of the year. They are learning through games and transferring this into their written work.

We will continue to discuss activities that keep us healthy as well as moving on to the foods that will keep us healthy. We will do this through a discussion of the Australian Dietary Guidelines.

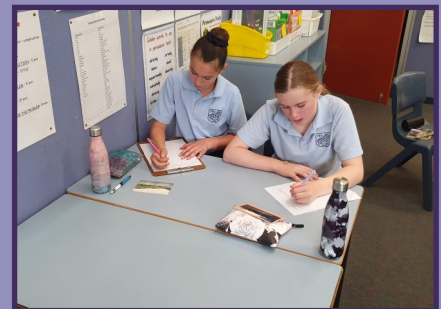

Stage 3 classes are well under way with preparing their menus for their fictitious restaurant. This is in readiness for writing their plays about going to a restaurant in Italy, which once completed they will be performing for their respective class.

All classes are working well and it has been a pleasure to finish off the year in such a positive way.

May I take this opportunity to wish all our students and families a safe and happy holiday.

5/6L

5/6L Classroom news!

It has been a busy year with lots of learning happening in the 5/6L classroom. We have been working hard on finishing our term's units and have finished all assessment tasks for the term. In English, our year 5 students have the opportunity to do a writing lesson with Dr. Kate Bricknell. They used a vintage post-card, where they could only use 100 words to tell a story, of their choosing and creativity. There were some fantastic pieces of writing and all students participated thoughtfully.

In Science, students have enjoyed learning about Forces and engaged in some fun interactive lessons and hands-on activities to investigate how Forces work. As the end of the year is approaching fast, 5/6L have lots of fun to look forward to still. We have Lake Talbot, Christmas activities, the year 6 graduation, class parties and more. We have just finished decorating a Central plaza, Christmas tree, with some fabulous hand-made decorations. Be sure to check out our display!

KP News

KP News!

KP has had a very busy term! In PDHPE we have been learning about Emergency Services! So far we have had a visit from a police officer and a paramedic. Hopefully if the fire fighters aren't too busy putting out fires we will be able to have a visit from a fire fighter too!

In Science this term we have been looking at what things are made of. We explored our school grounds to see what materials buildings, seats and play equipment were made of. We conducted an experiment to see what happens when materials get wet and created a sculpture for the garden based on our findings.

We are looking forward to keeping busy until the end of the term with so much still to come!
