FROM THE PRINCIPAL

Farewell and best wishes

Sadly, we see three (3) of our teachers leave our Hanwood family.

We wish Mr Gary Workman all the very best in his upcoming position as the new principal at Yenda Public School. Gary will be truly missed by teachers, students and parents alike. For the last two years Gary has been taking on a larger administrative role at our school in preparation for this time. I just wasn't prepared for it to come so fast. We will remain in close contact with Gary as he will be bringing Yenda on board with our professional learning model as one of the participating schools I mentioned earlier. Gary very much deserves this promotion and I am so proud to be a small part of his growth and development as a leader. Yenda is in great hands. Gary, on behalf of our entire school community, I thank you for your dedication and commitment to our students, staff and myself over the past 6 years. Words cannot express your impact on us all.

Mrs Lindsay Marsh and her husband Josh will be relocating to Bathurst as Josh has accepted a position in the NSW Police Force. Lindsay completed her internship at Hanwood prior to being employed as a very valuable teacher on our team. The work Lindsay has undertaken from being a Kindergarten teacher to her current role on the Learning and Support team and her impact on all her students has been outstanding. This year Lindsay has predominantly worked with students from non-English speaking backgrounds – at times taking over my office as a learning space. Lindsay and Josh will be greatly missed from our school and the wider Griffith community. We wish them every success and happiness on their journey ahead.

Mrs Angela Powys, her husband Chris and brother, Dan will be relocating to Albury. Both Angela and Chris have teaching appointments at local Albury schools. Angela has been another amazing asset to our school. She in her time here has undertaken a leadership position, acting as Assistant Principal on occasions and has certainly value added to our team. The input and dedication Angela has for our staff and students has been exceptional.

We have been given clearance to advertise Gary's soon to be vacant Assistant Principal position. The process will continue into Term 1 next year, with the successful applicant appointed to begin in Term 2. In the meantime, Miss Lucy Capstick has been successful in undertaking this position for Term 1 in a relieving capacity.

We also welcome Mrs Natasha Long and Mrs Chloe Catanzariti as new teachers on our staff for 2020. We look forward to having the expertise on our team.

We still have some teaching vacancies to fill prior to the New Year. This may occur throughout the school holidays. So please bear with me if this is not finalised in the next few weeks as I endeavour to ensure only the best teachers are chosen to educate our students here at Hanwood.

This is the perfect segue into thanking our Hanwood staff for another year of professionalism, commitment and passion. We truly have an amazing team here and one I am so proud to be a part of. Many do not see the huge amount of work, often out of hours, that our teachers put in to the benefit of our students. Brilliant teaching does not just happen although they do make it look easy. I look forward to another productive and hectic year ahead with you all.
