

HANWOOD PUBLIC SCHOOL NEWSLETTER

THE HANWOOD WAY!

Term 4

Week 7

Date: Thursday 18th November 2021

FROM THE PRINCIPAL ... Twenty-First Century Technology for Hanwood

This year our school has had a major technology update, with combined funding from the Department's Rural Access GAP Program and school funds. We have 30 new student laptops, 11 new teacher laptops and 5 new laptops for executive staff. We also have a new desk-top computer for the Library.

We have changed the way we charge and store our new laptop computers. We have a 'Computers on Wheels' (COWS) cupboard where 32 laptops can be stored whilst charging, in a locked cupboard that is on wheels. This cupboard can be moved to classes for use or be used in our Technology Centre. We also have two new laptop charging shelves (see photo below).

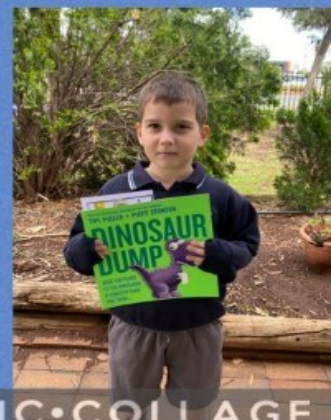

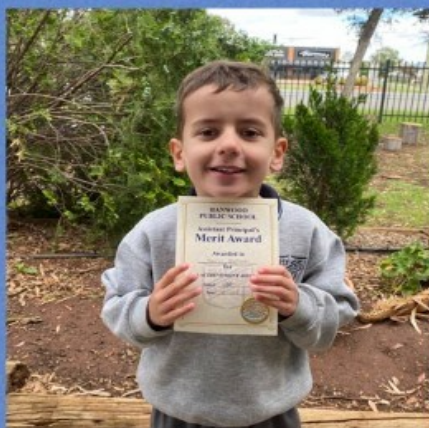

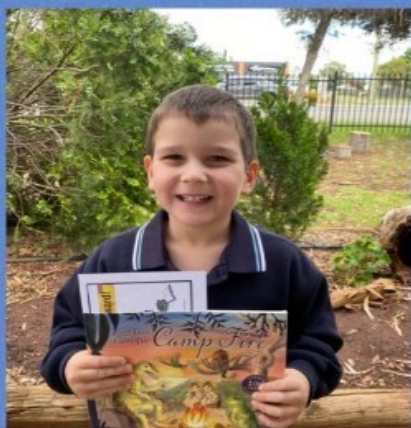

Many thanks to our two technology support teachers, Jenny Workman and Simone Amaro, who have managed to get all our new devices and systems set up for our school.

KINDERGARTEN 2022 ORIENTATION SCHEDULE

Week	Date	Time	Venue	Information
Week 8	Wednesday 24/11/2021	12:30-3:30	Kinder rooms	4 th child session
Session 5: Week 9	Wednesday 01/12/2021	9:30-3:30	Kinder rooms	5 th child session

STUDENT AWARDS—MONDAY WEEK 7

PIC•COLLAGE

1/2A and Miss Amaro

We have been doing some amazing learning this term in 1/2A! Over the year we have developed some great learning strategies and cooperation skills that have really begun to shine.

This term in English, Stage 1 have been studying Jackie French. We have enjoyed reading a variety of her books and we are currently working on an information poster all about echidnas, based off Jackie's book *Mille Loves Ants*.

We have also been practising some different ways that we can take care of our bodies and minds. Last week we had a go at a yoga session, practising our balancing and our persistence of not giving up if it is too tricky! We were very good at this!

5/6Y—Mr Young

5/6Y, along with the rest of Stage 3, were able to finally hold our COVID safe Olympic Mini Games 2021. It was a massive day filled with fun, excitement and sport! Even the heat wasn't able to stop us from going ahead with our games. Through lots of hard work and leading by example, Stage 3 pulled off a marvellous day that won't be forgotten any time soon.

We hope we can have more of these days in the future!

PD/H/PE & LST NEWS

Miss Fletcher

It has been a terrific Term so far and not long now until Christmas.

PD/H NEWS

This Term, Stage 3 students have been learning about Decision Making and Drugs. They have covered topics like the effects of smoking on the body, how to make healthy lifestyle choices, the effects of alcohol on the body and how to make better decisions.

As our Stage 3 students grow and change, it is important that they learn the risks involved in making decisions and how that will affect them.

PE NEWS

During PE this term, students in 5/6D, 5/6W and 3/4S have been participating in some mixed sports like soccer, basketball, Knights and Raiders, Flag and their favourite sport Dodgeball.

All students have been trying really hard to be respectful of others, be mindful of other people and their abilities, and also develop their skills.

LST

During LST time I have been working with small groups in 5/6D, 5/6Y, 3/4E and 1/2K.

5/6D and 5/6Y have been developing their skills in their sight words, sentence structure, persuasive and narrative writing.

In 3/4E and 1/2K we have had a maths focus and are learning about multiplication, division, forming equal groups, friends of 10, subtraction and addition.

It has been great to spend time with these students each week. Keep up the great work!

Miss Fletcher
PDHPE Teacher

TERM 4 2021	
Week 6	
	FRIDAY 12/11 Elisha Oldham Kelly Gillies Judy Corradi
