KJ - Mrs Vaessen and Miss Dotta

STEM

We have been busy in Science using our knowledge of air transport to design our own flying machine. We are learning how to follow steps and criteria from a design brief. Everyone is looking forward to the making stage where we bring our designs to life. Keep your eye out for our FaceBook post next week, with all the photos.

Reading Groups

Still one of our favourite times of the day. KJ love showing off their reading and comprehension skills every morning at the jelly bean table. You have come so far KJ!

Kindergarten Graduation

This will be held on Wednesday 8th December commencing at 3pm in the school hall. Parents are welcome to attend. They are required to sign in with the QR code and show proof of vaccination on arrival at the hall. Students will be presented with a graduation book and will be sharing their favourite memories of Kindergarten on stage.

Sugar Free-zies Day 3rd December 2021

We are excited to announce that we will be hosting a Sugar Free-zies Icy Stix Day on Friday 3rd December 2021 to raise money for our school.

We will be selling The No Nasties Project Sugar FREE-zies Icy Stix for a **\$1.00**

Support our P&C fundraising efforts by purchasing a Icy Stix so the kids can enjoy tasty ZERO sugar, Sugar Free-zie Icy Stix.

P&C Update

As we are almost at the end of the year, we are running the canteen on a restricted menu. Once an item is sold out we will not replace it.

If possible, could all families please use the my school connect app during this time as it has a full stock listing of what foods are in stock (to avoid disappointment) as once an item is out of stock you will not be able to order it.

Orders can be placed at anytime – just select the date range you would like to order for.

We have plenty of hamburgers, cheeseburgers, chicken burgers, chicken wraps and chicken chippies. We expect that pizzas and party pies will be the first to sell out.

To Give Away
Please contact the
office if interested.

WHY JOIN OUR P&C?

VOLUNTEER

Participating in P&C activities can help you feel a part of your school community. The more people involved, the more exciting and successful it will be.

STAY INFORMED

It is not essential that members attend every meeting, but regular attendance is the best way to find out what is happening.

BE HEARD

Everybody has a role to play and your ideas will be heard. The more people involved, the more exciting and successful it will be.

BUILD NEW STUDENT PROGRAMS

P&Cs need people from all walks of life and with a range of talents who are committed to delivering great outcomes for their children and school.

IMPRESS YOUR KIDS

Research shows that children perform better at school when their parents are involved in their education. Actions always speak louder than words. Show your children how much you value their education.

MEET FRIENDS

The P&C is about people just like you – parents, caregivers and community-minded people who want to help their school.

KB—Miss Signor

KB have been loving reading groups and Maths this term. They are super excited to have almost finished their SoundWaves booklets!

KB have been getting in early on the Christmas spirit and have started doing some craft to decorate the room. Last week we made reindeers and this week we are making a Santa Claus.

We had a very exciting visitor join our class this week! Our very own elf all the way from the North Pole. His name is Elvis and he will be in quarantine for a week before he starts causing any mischief. I wonder what Elvis will get up to during the month of December?
