It was a great start to the week at HPS, with our SRC "Green and Gold Day" in support of the Matildas' wonderful achievements at the FIFA World Cup.

Today, our debating team took part in a debate against Yenda Public School. Tomorrow, they have another debate against Darlington Point Public School. There will be a full report in the newsletter next week.

Excitement is building as our 2023 Hanwood Public School Concert is set to take place next Thursday night, August 24. The theme of the concert this year is "From the Page to the Stage". On Wednesday next week (the day before the concert) students will travel by bus to the Griffith Regional Theatre during the school day for a full dress rehearsal. Further information regarding our concert is on Page 2 of this newsletter.

Tomorrow, we will end the week with all classes taking part in a friendship activity throughout the day to acknowledge Bullying No Way! Day. We are proud to support this wonderful initiative at HPS.

# 3/4D Class News

## Green and Gold Day

Stage Two came together for Green and Gold Day and had a day filled with football based learning activities. We had place value goals, player profiles for character descriptions and created graphs to display the amount of goals the Matildas have scored during the 2023 Womens' World Cup. Go the Tillies!

## Touch Football Clinic

3/4D have been learning touch football based skills during PE with Erin Bonetti and Mel Bonetti. We have been learning how to pass backwards and be prepared as a dummy half, which some students will use when they participate in the Trent Barrett Shield later this term.

## Italian

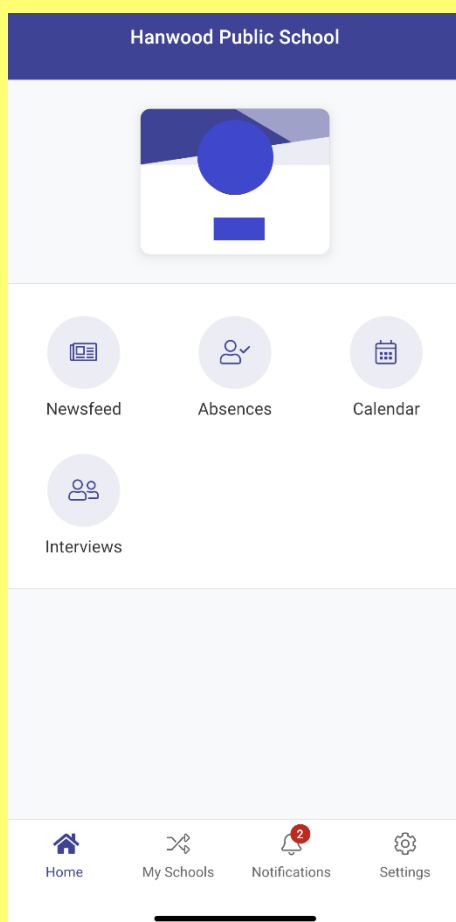

We have extended our work on mythical creatures to Italian, where we created our own monsters with Mrs Violi. We then gave these monsters descriptions in Italian and presented them to the school at our recent assembly.

Keep up the hard and amazing work, 3/4D!

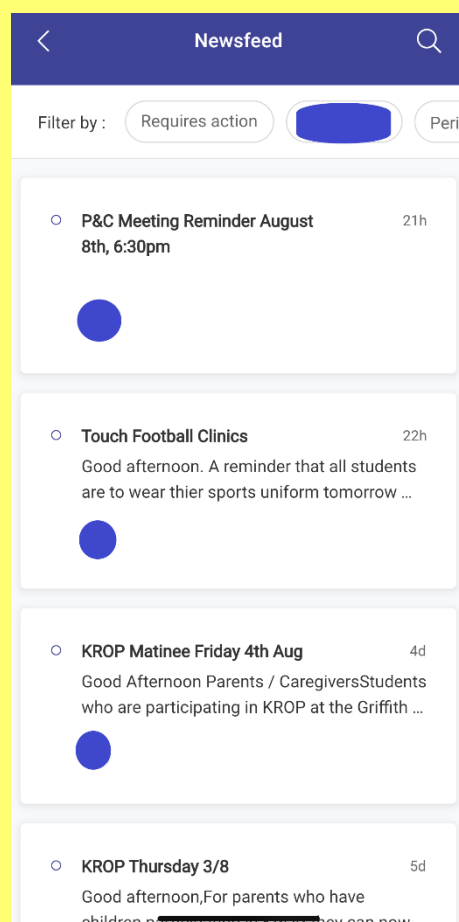

## Sentral Parent Portal

Our school has undertaken a new initiative, the Sentral Parent Portal App. This app will contain information and send notifications and reminders about school events and activities, enable you to book parent/teacher/student interviews, view the upcoming events on the calendar and notify the school of any absences. We are confident that you will see the benefits of your registration immediately and be part of our journey in providing this facility to you. As we progress with this initiative, we are confident that the Parent Portal will become more and more significant in your day-to-day management of your child's enrolment at our school. Should you experience any difficulties registering for the Parent Portal, please do not hesitate to contact the office for assistance.

Home – This is where you will find all of the main features of the Parent Portal (newsfeed, absences, calendar, interviews).
