## From the Principal...

In my adventures around our school recently, it has been very evident to me what a wonderful, happy, safe school we have at Hanwood Public School. From the classrooms to the playground, it is clear that HPS is a place for our students to learn, grow and belong. We are proud of the amazing learning environment that we have built at Hanwood!

It was fantastic to have so many HPS mums, grandmothers and even great grandmothers at our school for our Mother's Day Afternoon Tea last Friday. What a wonderful afternoon it was! Thank you to the HPS staff who made this event a big success once again.

Tomorrow (Friday 16 May) is "Walk Safely to School Day". HPS students who would like to participate in Walk Safely to School Day are to meet Hanwood Public School staff at the Hanwood Soccer Oval at 8:50am.

At the front of Hanwood Public School (near the COLA), we have some new turf that has recently been laid. Thank you to Ben Brown for your support with this. Thank you also to Greg and Erin Bonetti for laying the turf. This area of our school is looking fantastic!

A reminder that our Hanwood Public School Facebook page shares lots of stories of the great things happening at our school. Parents and family members are encouraged to 'like' this page if you haven't already. Our Hanwood Public School P&C also has a Facebook page, so HPS parents and families can keep informed of P&C events. Parents are encouraged to 'like' this page also.

## Hanwood Public School Winter Uniform

### Labelling Jumpers and Jackets

As we are now heading into the cooler weather, it is the perfect time to check that the tags of your child's school jumpers and jackets are labelled with their name, or family surname.

Labelling of school uniform items (in particular hats, jumpers and jackets) allows for an easy return to the owner if they are found in the school grounds or in a classroom.

### Walk Safely to School Day

Hanwood Public School is once again supporting Walk Safely to School Day. Any students who would like to participate in our Walk Safely to School Day are to meet Hanwood Public School staff at the Hanwood Soccer Oval **TOMORROW MORNING Friday 16 May** at 8:50am. Staff and students will all enjoy the walk to school together.

## The Resilience Project

### Emotional Literacy

*Working on our emotional literacy gives us opportunities to develop our ability to understand and express different emotions. When we improve our emotional literacy, we can work towards recognising our own feelings and our ability to manage them. This allows us to cope with different life situations, such as managing conflict, making friends, coping in difficult situations and being resilient when dealing with change.*

#### Questions parents can ask their children at home to promote emotional literacy:

- When did you feel really proud of yourself today?
- What's something you're excited for today or tomorrow?
- What are you feeling right now? Why do you feel this way?

#### Family Habit Builder:

Around the dinner table, ask everyone to share a feeling they felt during that day. Discuss how they dealt with that feeling and then discuss and share strategies you could use when faced with particular feelings.

#### Sports Uniform in Term 2

In Term 2, students in **Kindergarten, Year 1 and Year 2** are to wear their Sports uniform on a **Friday**.

Primary students (**Years 3, 4, 5 and 6**) are to wear their Sports uniform on a **Wednesday and Friday**. This is due to primary classes participating in basketball clinics on a Wednesday in Term 2.

#### Athletics Field Events Qualification Day

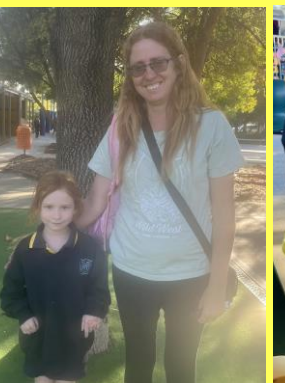

Next Thursday (May 22), we will be holding our qualifying for athletics field events (shot put, discus, long jump and high jump) at school during the school day.

Primary students (Years 3-6) and Year 2 students turning 8 this year are to wear their Sports uniform on this day.

# KS Class News

KS have been super super busy doing lots of learning AND having fun!! Check out some photos of our favourite things that we have been doing lately!

## Home Reading is FUN!

Our Readers Club for 2025 is well underway!

Some students will be very close to completing 100 nights of home reading. This achievement means that the student receives a book prize, presented at a school assembly.

Reading at home is FUN! The more students read, the more opportunity they have to increase their fluency and comprehension skills. There are lots of great ideas to encourage reading at home. For further ideas to increase your child's reading at home, please speak with their class teacher.

## Canteen Volunteer Roster

We are asking for parents and family members to volunteer in our canteen this year, assisting our canteen supervisor, Kim Dal Broi. There are still spaces to be filled for Term 2.

# Return and Earn

to protect our environment and earn money at the same time!

Save  
Our  
Planet

We will have bins placed in the school for the students and also the parents to deliver their recycling.

Once a month we will rely on a HPS family to return and earn.

All monies raised will go back directly into the P&C to help make our school wonderful for OUR children. Please help us get this fantastic program off the ground.
